- “I love this script and know you have done it “right” Annie.”

- “I loved it! Very engaging script and actors!”

- “You were absolutely sensational. The best!! Loved you guys. Wow!? I laughed and cried!!”

- “This was an excellent production of this very pure and simple theatrical idea. Annie Gaybis and Peter Gutierrez made Melissa and Andy come alive and filled them with nuance and intelligence and wit. We laughed and cried. We cringed and sighed. We felt the loss and the pride of all you created. Great timing brought laughs where they needed to be. Anne Kraft, you orchestrated the rhythms of the piece beautifully. I loved what you three created. Thank you for a wonderful evening of theatre.”

-John Sbordone
Artistic Director
of City Repertory Theater

- “I am absolutely delighted to be working with Annie and Peter in this marvelous piece of theater for ACT. The work itself is such fun to explore with these two talented actors.”

Anne Kraft
Director of Love Letters
Co-founder of A Classic Theatre

- “Such moving performances from both actors. A wonderful production!”

- “You two were off the chart great. Superb timing. John would have been proud as he understands the importance of comedic timing. Wow!”

- “Annie, Your timing, humor and emotion throughout the performance was exceptional. We thought it was one of your best local performances. The connection between you and Peter was very heartfelt.”
